DIGEST SHEET

TITLE OF ORDINANCE: SPECIAL

DEPARTMENT REQUESTING ORDINANCE: PURCHASING

S-86-12-18

SYNOPSIS OF ORDINANCE:

An ordinance to be introduced in City Council approving Civil City purchase order #A-49583 with respect to the purchase of a copy machine for the Fort Wayne Police Department Detective Bureau. Per th specifications in Reference #1268.

EFFECT OF PASSAGE:

This is a replacement for the current machine that is being used in the records bureau which is now 15 years old. The copies that are being sent to the state are becoming more frequently too inferior to be used by the state. They are asking for better copies, thus causing a delay in updated records. This machine is a revenue generating machine as the public is charged for requested copies for their own use.

EFFECT OF NON-PASSAGE:

The state will continue to send back inferior copies causing more of a delay in updating records. Additional supplies will be needed to make duplicate copies already made. Cost effective to have a machine that will do the job right the first time.

MONEY INVOLVED (Direct costs, Expenditures, Savings):

IBM Corporation $10,350.00

ASSIGNED TO COMMITTE (President):
